HENRY RICHARDS PAYS PENALTY HANGED AT DELAND THIS MORNING

FIVE MEN ARE HANGED IN CHICAGO

SWING FROM SAME GALLOWS FOR MURDER LAST OCTOBER

CLICK OF TRAP AND THUD OF HANGING OF FIRST TWO CAUSE SECOND TWO TO BE PARALYZED WITH FEAR.

CHICAGO, Feb. 16.—Four men were hanged in the Cook county jail this morning for the murder of Fred Galloway, a truck gardener, last October, the most brutal murder in the history of Chicago.

Byrd and Frank Shibliawski were hanged first and Philip Sommerling and Thomas Schultz, the latter just 18 years old, were hanged a few minutes after the bodies of the first two had been taken down. The second two plainly heard the click of the trap when the trap was sprung and the thud of the breaking necks when the first two were hanged.

Sommerling and Schultz were paralyzed with fear when they were taken to the gallows. The state supreme court at Springfield denied a new hearing in the case at almost the same instant as the hanging took place.

Thomas Jennings, a negro, the first man ever convicted in Cook county on flinger print evidence, was hanged this noon for the murder of Clarence Miller, chief freight clerk for the Rock Island railroad.

The negro made the fifth man hanged on the same gallows today.

TWO MEN ARE KILLED FROM AMBUSH TODAY.
 JACKSON, Ky., Feb. 16.—A message from Buckhorn this morning says "Big John" Davidson and Levi Johnson were shot to death from ambush. Davidson was recently acquitted of the charge of murdering John Almer. Johnson was killed because he was in Davidson's company.

NAME OF GOMPERS MENTIONED AGAIN IN DYNAMITE PROBE

LETTERS SERVE AS EVIDENCE TO HOLD MEN ON CHARGE OF CARRYING ON CONSPIRACY THROUGH MAILS.

INDIANAPOLIS, Feb. 16.—The disclosure of part of the evidence discovered by the Federal grand jury in the dynamite investigation, connecting members of the executive board of the Iron workers with shipments of explosives, followed a busy visit of Detective Burns here. Burns today, on his way to New York, once more brought the name of Samuel Gompers into the inquiry.

The evidence made public consists of hundreds of letters and telegrams, which, it is alleged, pertained directly to dynamiting and which refer to "jobs" the union wanted done. Hocking, Young, Butler and Webb are being held on charges of carrying on a conspiracy through the mails.

NEGRO DIES ON THE SCAFFOLD FOR MURDER OF PAP EDWARDS

BLACK MAN WALKS TO SCAFFOLD WITH REMARKABLE NERVE AND IS DEAD 12 MINUTES AFTER TRAP IS SPRUNG.

Walking up to the scaffold with a firm step and with a display of nerve seldom seen in any man, Henry Richards, negro, was hanged in DeLand in the presence of about 500 persons shortly after 11 o'clock this morning, paying with his own life the penalty for the murder of Deputy Sheriff Edwards in November, 1907.

Richards made no statement before being executed, the trap was sprung at 11:05 o'clock, the drop broke the victim's neck and not a muscle in the body moved. He was pronounced dead 12 minutes after the trap was sprung.

The scaffold was erected at the east side of the Volusia county court house and was enclosed by nothing but a wire fence, which was put up to keep the crowd back from the scaffold. The crowd of people was packed around the place of execution and close up to the wire fence.

The condemned negro apparently took his execution as an ordinary event and was the coolest man in any way concerned in the affair. He slept well last night, ate a hearty breakfast and said absolutely nothing after being taken from the death cell for the march to the gallows.

Before leaving his cell, however, he requested that his body be turned over to his mother, who lives in Tampa, and who visited him in the jail yesterday. His mother went to Bereford last night, not caring to remain in DeLand through the execution, and immediately after the execution the body was turned over to an undertaker to be prepared and sent to his mother, who will take it to Tampa for interment.

Richards has been visited frequently during the past few days by a negro preacher, but yesterday he asked for Father Curley, who visited him yesterday and this morning and walked with the condemned man from the jail to the scaffold.

Sheriff Ed Smith was assisted in the execution by Sheriff Kennerly of Palatka and Deputy Sheriffs E. T. Gross and Chas. Jones. The official physician was Dr. G. A. Davis, who examined the body after the hanging and pronounced him dead.

The execution was complete in every detail and there was not a sign of any kind of a hitch in the proceedings.

The crime for which Richards

paid with his life today was the murder of Deputy Sheriff W. P. Edwards in November, 1907.
 "Pap" Edwards, as he was familiarly known in DeLand and all over Volusia county, was the deputy sheriff who had supervision over the county jail and served as jailer as well. He was a man 65 years of age and had the reputation of being one of the most fearless men who ever wore shoes. A number of years ago he distinguished himself and clinched his reputation for bravery in an encounter with train robbers at Orange City, killing two of the bandits in a pistol duel.

Henry Richards, the Negro Hanged at DeLand Today

Volusia County Jail, Where Hanging Took Place

He was placed on trial on a charge of first degree murder in the circuit court of Volusia county last November and convicted, the jury recommending the sentence from hanging to life imprisonment.

The hanging of Richards this morning was the third legal execution to take place in Volusia county.

Gaskins, a negro, was hanged in 1890 for the murder of his wife and Irving Hanchett, a white boy, 17 years of age, was hanged last year for the murder of Cleve Tedder, a white girl 14 years old.

There has been but one lynching in Volusia county since 1878, the victim being Lee Bailey, a DeLand negro, for the usual crime. The lynching took place on West Rich avenue in 1890 or 1891.

Several persons from Daytona went over to DeLand to witness the execution, returning after the hanging.

PALMETTO CLUB PROGRAM ALL DUTCH

PAPERS AND TALKS ARE VERY INTERESTING TO LISTENERS

PERSONS WHO KNOW TELL MUCH ABOUT THE PEOPLE OF INTERESTING LITTLE COUNTRY IN THE OLD WORLD.

In the presence of a large and representative audience which filled the Palmetto clubhouse, the regular semi-monthly meeting of the Palmetto Club was held Thursday afternoon under the direction of the literature department, of which Mrs. M. Huston is chairman.

The program was all about the Dutch, Mrs. Huston explaining that the department had made a study of this very interesting little country during the past summer. The hall was decorated with pictures from Dutch masters and handsome beds of tulips were artistically arranged on the rostrum and at the entrance.

A soft light from wax candles held in an odd Dutch candlestick heightened the beauty of the scene.

The Palmetto orchestra, eight pieces, composed of home and visiting talent, furnished the music for the afternoon, opening the program with "Songs of the Waves." Mrs. A. Milligan, attired in Dutch costume, Friesland cap and wooden shoes, read a very interesting article on "The Friesland cap," giving a legendary account of why this very attractive headgear had undergone no change since its adoption 1000 years ago.

E. M. Condit gave from his book of travels some vivid impressions of the Hollanders, their sturdy qualities of head and heart, and some of their principal cities. In appeal (continued on last page)

KINGSTON BOY INJURED THROUGH PRACTICAL JOKE.

Colon Jones of Kingston, a young boy about 15 years of age was injured early this morning by the explosion of a loaded cigar presented to him by a companion of about the same age who had prepared the cigar with a filling of gun powder as a practical joke. The powder burned the left side of the boy's face and eye and his right hand with which he was holding the cigar, and it is probable that the sight of the eye will be permanently impaired, though Dr. F. J. Walker, who was called to attend the lad's injuries, is making every effort to prevent the latter misfortune.

A light luncheon was served and the guests departed wishing Mrs. Oren many more happy birthdays.

Doings at Daytona Beach

DAYTONA BEACH, Feb. 15.—All States day, to bring the people together in neighborly celebration of Lincoln's birthday anniversary, Monday, February 12, was a decided success, both in point of attendance and the profitable enjoyment of the occasion. The program was held in the Methodist church. The speakers of the afternoon were Dr. S. P. Leland, Rev. H. H. Bowen, D. D., and Rev. E. J. Ramsow, each of whom eloquently, and with more or less humor, exploited the superior claims of his respective state, Illinois, Kansas and Vermont to the highest rank in the galaxy of the union. The musical part of the program was unusually fine, and consisted of vocal solos by Miss Shelly, Mrs. Leveil and Mrs. Fromke. Miss Walker whistled several national airs, and Mrs. G. C. Gage gave two humorous recitations, the second in response to an encore. Not the least enjoyable feature of the occasion was the fine turkey dinner served in the basement of the church at the close of the exercises by the ladies of the Methodist church. About two hundred people were served. Mesdames Watkins, C. A. Phillips and E. A. Freeman supervised the serving. Mrs. Gage and her willing assistants deserve much credit for their unselfish service.

A Martha Washington tea and bazaar will be given by the ladies of the Methodist church Thursday, February 22.

The San Souci club met last Thursday at the home of Mrs. Charles Mortimer on Palmetto avenue. Mrs. A. J. Beardsley and Mrs. W. H. Freeman read the papers of the afternoon on the general and the commercial resources of Florida. The usual refreshing time was enjoyed at the social hour. Next Thursday the club will meet with Mrs. William B. Reed.

Judge Kennedy and Mrs. Kennedy arrived Monday from Youngstown, O., and joined Mrs. Kennedy's parents, Mr. and Mrs. Young at their home on the Halifax.

The Co-operative Water Works company met in regular session Monday night and declared a dividend of 3 per cent., the officers having refused to accept salaries for their services for the year past.

H. F. Stewart is having the low places on the Seaside Inn lot filled. This is a great improvement to the property.

Mrs. McCann of Indiana, who regularly spends her winters in Daytona Beach, has recently taken rooms at the Harroun Beach house.

The carpenter work on the bungalow studio, which H. F. Stewart is erecting on his residence property on Bath street, was finished Monday, and the decorators are now at work on the interior. Mr. Stewart has so arranged that the first floor may be utilized for domestic purposes, and the entrance to his studio suite may be made from an outside stairway.

Mrs. A. S. Harroun and her sister, Mrs. Wightman, and friend, Mrs. Haviland, left Wednesday morning for Palatka for a visit of several days with Mrs. Frank Smith and family. Mrs. Smith is Mrs. Harroun's daughter.

Walter Sweeney is building an 8-room, two-story home on his lot on Ocean avenue, adjoining the Andrews' handsome home on the south. The house will be a modern frame building, furnace heated and strictly up to date in all conveniences. Mr. Sweeney will be assisted on the work by his brother, George K. Sweeney.

Mr. and Mrs. W. F. Hearne and two children of Nicholas, Ky., arrived recently for a two months' stay with Mrs. L. B. Young at her home on Ocean avenue. Mrs. Young and Mrs. Hearne are cousins. Mr. and Mrs. Hearne have been coming to Florida for a number of years, spending their winters on the west coast, but this is their first trip to the east coast, and they are delighted with this part of the state.

Ray Seldon returned Saturday night from a business trip which included a stop at Hastings and a number of other towns between Daytona and Jacksonville.

The next meeting of the Library club will be held at the home of Mrs. W. F. Bleekman on Valley street on Monday afternoon, February 19. On Monday afternoon this week the library received a shipment of new books which were ordered a couple of weeks ago.

Mrs. Rose Hamler arrived from the north last week and joined her friend

Mrs. J. C. Young at the Sweeney home on Costes street.

T. L. Hudson of Lincoln, Ill., celebrated his 94th birthday anniversary on Monday, February 12, at a dinner party at Ocean Spray, where he and his wife are spending the winter. Those enjoying the birthday celebration with Mr. and Mrs. Hudson were Mr. and Miss Henry of Iowa, Mrs. Cox and Miss Fields of Indiana, and Miss Julia Cargill of Illinois. Mrs. Hudson is an octogenarian, being 82 years old, and the combined age of the company present, when summed up by Mr. Hudson was something over 400 years.

Carpenter work will begin this week on the front addition to the Ohio house, which will be 24x50 feet and three stories. E. E. Johnson has the contract.

Mr. and Mrs. Chas. Mortimer left Tuesday morning in their touring car for St. Petersburg, where they will make several days' visit with friends. Mr. and Mrs. Mortimer were accompanied by their son, Marion Mortimer, and wife, who have been visiting them for a couple of weeks or more. Mr. and Mrs. Mortimer Jr., will not return with his parents but will protract their stay with Mrs. Mortimer's mother.

Mrs. C. L. Northrup and daughter, Miss Lotta, will move into their new home on Palmetto avenue next week. Mr. and Miss Northrup have been spending the past two months in a tent within the shadow of their new home. The tent has a plank floor and cooking stove, and the ladies say they kept quite comfortable during the coldest days, but will be glad to get into roomier quarters before the warm weather.

Mr. and Mrs. Brown left Monday afternoon on an automobile trip for Southern Florida. They were accompanied by Mrs. G. C. Gage. The party are making the journey in Mr. Brown's car and expect to visit Miami before returning.

Senator Chas. H. Bacoche, wife and daughter, Dorothy, of Hampshire, Ill., arrived from St. Petersburg Thursday and joined Mr. Cherry for a few days' visit at his pleasant home on Palmetto avenue before securing suitable quarters for a longer stay. It is understood that Mr. Bacoche will build a winter home, before going north, on his lot purchased of A. Vandevorde last spring. This lot is just across the street from the Cherry property and adjacent and south of the Vandevorde home.

Mrs. Ida Upson has purchased lot

Great Premium Offer

THE circulation of The Gazette-News is already large but the publisher is determined to add several hundred more names to the list and in order to do so makes several offers that you cannot afford to miss.

We want to give every housewife in this country a new pair of SHEARS—not that we think you are out of shears at your home but we know that no matter how many pair of shears you have, you will appreciate a new pair, especially the Eureka Trimmer Shears, which is a superior shear in every way to the ordinary pair of shears generally used in the everyday household.

This is not a philanthropic movement on our part nor a plan to disburse charity, nor is it a scheme to force people to buying something they do not need. We have learned the value of the housewife's good will, and this will be considered by us in offering these

Eureka Bent Trimmer Shears

We have bought another gross for distribution and those who do not respond to our offer immediately may not be able to get a pair. If you want to secure a pair

ORDER THEM RIGHT NOW

then you will be sure of receiving your shears. This is a very liberal offer and one that can be taken advantage of by everyone in this country, and we want readers to our paper. We believe this offer will more than satisfy the most exacting subscriber.

Send us \$1.50, and six cents additional if you desire the shears mailed, and we will send you the GAZETTE-NEWS FOR ONE YEAR AND A PAIR OF THESE SHEARS ABSOLUTELY FREE. This offer applies to either new subscriptions or renewals

LION AND THE MOUSE AT THEATER TOMORROW.

Charles Klein in "The Lion and the Mouse," which production will be seen here at the New Daytona theater for special matinee and night, tomorrow, offered by the United Play company, has utilized a phase of national life which has never before been used upon the stage and which proves of intense interest as a result. He has taken one of the money kings of the country, a type of the financiers who manipulate the destinies of the nation, and makes him one of the central figures of the plot. He is stern in his attitude to all, even his wife and children, and relentless to his enemies. It may be said that the play is of vital interest to all classes of thinking people and while its aspect is serious it is said to contain wit, and humor. The production of this play is looked forward to with a great deal of pleasure by all theatergoers and the event will no doubt prove a most interesting one.

Mr. and Mrs. James Abercrombie of Irvington-on-the-Hudson, who have been with Mr. and Mrs. Joseph Osborne at the Osborne on Orange avenue, since the forepart of the week, departed Thursday night for a visit to Palm Beach, Miami and Key West, but will return here early next week. Mrs. M. A. Bennett of Parkman, Ohio, who is spending the winter at New Smyrna, came up from that city Thursday afternoon for a few days' visit with Mr. and Mrs. G. H. Ludwig at their home on North Ridgewood avenue.

Patrons of the Crystal theater will be given a rare treat in the presentation of "Cinderella" in motion picture at this popular moving picture house next Monday and Tuesday, afternoon and evening. The story of Cinderella is too well known to need repeating and the picture tells the complete story in a way that can not fail to please. It is one of the most sumptuous productions ever made in motion picture.

JUST GOSSIP

*Squire Zuber says he has enough and that from this time on he is a Titus man. He also declares he will not be a candidate for the office of mayor, or any other office, at the next municipal election.

While the municipal election Wednesday furnished some interest the polling of the votes was not attended by as much excitement as might be expected in a contest where the voting ran as close as it did on the candidates for some of the city offices.

One winter visitor in Daytona remarks that Beach street is too narrow to accommodate the large number of automobiles which use the principal thoroughfare of the city every day. This man also suggests that conditions on the main business street would be improved if about ten feet of space was taken off the river front, parkage, hard-surfaced and added to Beach street.

GATHERING OF VETERANS AT CITY HALL SATURDAY.
All veterans of the Civil war now in Daytona and vicinity are requested to meet at the city hall Saturday afternoon at 2 o'clock to hear the report of the committee which had charge of the arrangements for the exercises in observance of the anniversary of Lincoln's birthday last Monday. At that time, also, the old soldiers will have a group picture taken, and will consider plans for the campfire, which is to be held in the Elks' clubhouse the evening of February 22. The use of the clubhouse has been tendered by the Elks' lodge for the occasion. Tickets for the campfire will be issued at the gathering Saturday.

PALMETTO CLUB PROGRAM PERTAINS TO THE DUTCH

(Continued from first page)

ing of the Island of Marken, he was especially impressed with the unprogressiveness of the people. The women and children still use the head gear and the big pott-coats, and a few yards away he said one was puzzled to know whether he was about to meet a child or its grandmother. The sole occupation of the islanders is fishing, and intermarriage has had a degenerating effect. "Songs by the Waves" was appropriately rendered by the orchestra at the close of Mr. Condit's reading. "Dutch Arts and Artists," an original paper, read by Mrs. C. H. Abbott, was listened to with marked interest. The reader covered the period from the rise of art in the Netherlands in the 17th century to the present day, paying high tribute to Rembrandt, as the greatest painter the world has produced.

Mrs. Chas. M. Dow of Jamesown, N. Y., was introduced by the chairman as ex-president of the women's clubs of her state. Mrs. Dow is a delightfully informal speaker. The papers she had just listened to from club members she said came to her as a personal reminiscence of her own travels through little Holland. She has twice visited Marken Island, has also met the great artist Israels, who had expressed his regret that he was too old to visit America. She spoke of the remarkable growth of club movement, and that in even the smallest villages the clubs stand for what is needed in that community.

The orchestra followed with two selections, Humoresques and Wooden Shoes.

The last number on the program, which greatly delighted the audience, was a Dutch dance by Miss Mary Stewart, a bright young school girl, who was in costume.

The hostesses of the afternoon were Mesdames Geo. H. Clark, Mengley, Rawson and White. The ushers, who were in costume, were Mesdames Carter, Gardiner, Harris and Roxby.
